Assessment task — Healthy futures

Students investigate sustainable practices at their school and make suggestions about extending a practice outside the school setting.

Due Week 7

DESIGN TECH

Assessment: What's your waste footprint?

Portfolio

Due Week 6

What's New

CANS FOR CHANGE

Sarah Payne visited our school to talk with students about sustainability and the Cans for Change program. She explained how recycling cans and bottles helps protect the environment and taught students simple ways to reduce, reuse and recycle. It was an inspiring session that encouraged students to make more eco-friendly choices every day.
