

Year 3 Term 4

Subject	Focus	Assessment
English	In this unit, students will read, view and comprehend an imaginative text and create a written narrative text using ideas drawn from a familiar text.	Reading Assessment Booklet - Week 8 Written Assessment – Week 7 & 8
Maths	During this unit, students will identify outcomes and the likelihood of events and conduct repeated chance experiments. They will order and represent numbers beyond 10 000 and solve problems involving two- and three-digit numbers and they will find unknowns in addition and subtraction number sentences and create algorithms and explore patterns.	Test – Week 8
Science	During this unit, students will conduct an investigation about solids and liquids changing state when heat is added or taken away. They will make predictions, recording observations and suggest reasons for findings and describing how safety and fairness were considered.	Assessment Booklet - Week 8
HASS	Continuing this unit from Term 3, students will represent data about places and compare places and devise an action in response to an issue about the climate.	Folio of work – Completed over lessons and finalised in Week 8
Design Tech	Continuing this unit from Term 3, students will design and make a lunch item that includes modern and traditional technologies.	Folio of work – Completed over lessons and finalised in Week 8 & 9
Health	In this unit, students investigate the concepts of physical activity and sedentary behaviours while exploring the recommendations of physical activity for five- to twelve-year-olds. They examine the benefits of physical activity and investigate ways to increase physical activity in their lives.	Assessment Week 6 and 7
