

2M and 2S

Subject	Assessment Task	Mode of Delivery	When (Approx)
<u>English</u>	<u>Writing</u> Students are learning to write and share a story using a known character from a text we have read. <u>Reading</u> Students will read, view and comprehend an imaginative text, and explore how a similar topic is presented in an informative text.	Written Oral	Week 5 Week 7 Week 3
<u>Maths</u>	<u>Number</u> Students are learning to partition, rename and regroup two- and three-digit numbers to assist in calculations. To order and represent numbers to at least 1000. To describe and continue additive patterns and identify missing elements.	Oral Written	Ongoing throughout Term 4.
<u>Science</u>	<u>Save Planet Earth</u> Students are learning to identify different uses of one of Earth's resources and describe ways to conserve it. Students will use informal measurements to make observations.	Oral Written	Week 6 and 7
<u>HASS</u>	<u>Impacts of Technology Over Time</u> Students are learning how and why changes in road transport and technology have affected the lives of people over time.	Oral Written	Over Term 3 and Term 4
<u>Health</u>	<u>Stay Safe</u> Students explore safe and unsafe situations so that they understand their responsibility in staying safe. They examine the safety clues that can be used in situations and identify the emotions they feel in response to safe and unsafe situations. Students consider different aspects of sun safety and how they can promote their health, safety and wellbeing.	Oral Written	Ongoing every Friday
